

DEFENDERS INITIATIVE

American Constitutional Rights Union is fighting to preserve American citizens' rights to

SAFETY & SECURITY

We **RECOGNIZE** law enforcement agencies working collaboratively with ICE and **EXPOSE** those undermining this critical mission!

"It is our duty to our citizens to uphold their constitutional right to safety and security. We must honor true defenders and hold oath breakers accountable." -Col. Allen West, Executive Director

DID YOU KNOW?

Section 287(g) of the U.S. Immigration & Nationality Act allows the Department of Homeland Security (DHS) to delegate immigration enforcement authority to state and local law enforcement officers, enabling them to work with U.S. Immigration and Customs Enforcement (ICE) to identify, process, and detain immigration offenders. *Learn More: theacru.org/defenders*

The Defenders Initiative **recognizes** law enforcement agencies honoring their constitutional oath to protect and to serve by working cooperatively with ICE to identify, process, and detain dangerous immigration offenders per Section 287(g).

Likewise, we **expose** oath breakers refusing to cooperate with this critical mission, directly undermining American citizens' rights to safety and security!
